2014**

METALS

At Custom Display Group we only use the highest quality laminates, materials and textured finishes in the making our our glass showcases, retail kiosks, mall carts and cash/computer counters!

We prepared this detailed catalog listing the best METAL laminate finishes and textures available!

Inside this catalog you will find the best colors and textured laminate finishes from both national and international laminate providers.

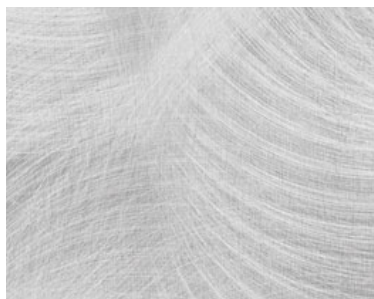

Viewing all these laminate finishes inside our detailed catalogs will save you lots of time searching for these finishes online!

You only need to choose the laminate finish you wish to use, and we will do the rest!
